

Waringstown P.S. Nursery News - January 2015

Happy New Year!

We welcome the children back to Nursery school after the Christmas holidays and hope they are well rested and ready for a new term of exciting indoor and outdoor experiences! This month we will be talking about and learning about

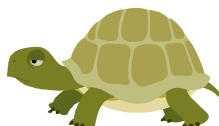

- Ice and frost
- Cold colours
- Snowmen
- Birds
- Warm clothes for winter

As the children have been at home for two weeks, we will also take time to learn again the routines of the classroom- snack, toilet, tidying up and remind each other of the class rules.

THANK YOU!

Thank you to Mrs Thornbury who took Henry the tortoise home over the Christmas holidays. It is an ideal opportunity for your child to learn how to care for a pet on a short-term basis. If you would like to have Henry at home during any of the school holidays please speak to Mrs Emerson or Mrs Gilpin.

NEW WATERPROOF CLOTHING

We are hoping to purchase at least 12 sets of new waterproofs for our children to use during outdoor play and also resources for a new mud kitchen- all with the money that was raised from the sale of tickets to the Christmas Concert. Thank you again for your fantastic support.

PARKING

We respectfully remind everyone that the Windsor Hill entrance is pedestrian only for those children and parents who live in the development. Please do not park on the footpath or particularly across any resident's driveways. We appreciate your co-operation with this matter.

January Birthdays!

None this month.

If you have any old children's comics or books that have been read and are about to be thrown out, please send them to Nursery school. It would be much appreciated. Also if you think you have a book which other adults may enjoy reading please send it in for our lending library!

Warm clothes

Please remember to send a warm coat, a scarf, hat and gloves for your child. We do spend time playing outside every day, even in the cold and rain, so we would appreciate if your child is well prepared! If it is very wet we have waterproof coats and trousers for every child in the class. Our children are hoping for some snow this month!

Keep up to date with Nursery News *online* at the School's Website –
