

GodmodeX Internet Safety Evening

Wednesday 08 February 2017

This year in school we are offering an exciting opportunity for our P6 and 7 children along with their parents!

On Wednesday 08 February, the day after Safer Internet Day, an organisation called GodmodeX are coming into school for an evening computer gaming session with up to 100 of our children.

The children will play various, age appropriate, computer games and will have an Internet Safety talk during the evening. There will be a Christian epilogue at the end of the night for the children taken by a representative of CEF (Child Evangelism Fellowship).

The night also has a session for parents, where GodmodeX will give an Internet and gaming safety talk. This will be an informative session and will provide practical and useful content to help you, as parents and guardians, keep your children safe from the dangers they may encounter online. The parents' session will take place in the half hour before the children finish their session and when it is over, the children will join their parents to go home.

A timetable for the evening is below:

6:30 pm	-	Children arrive back into school to work with GodmodeX
8:00pm	-	GodmodeX Parents' Gaming / Internet Safety talk
8:15pm	-	CEF Epilogue with Children
8:30pm	-	Both sessions end. Children go home with parents

The best thing is that the whole evening is ***completely free of charge to our children and parents.*** However, the night will be on a ***first come, first served basis*** and we are ***strictly limited to 100 children.*** Therefore, we ask that you return the slip below to Mr Somerville ASAP to avoid disappointment.

As an ICT Team we thank you in anticipation of your support.
