

## Five little squirrels

Five little squirrels with acorns to store.  
One went to sleep and then there were four!  
Four little squirrels hunting acorns in a tree.  
One fell down, and now there are three!  
Three little squirrels wondering what to do,  
One got lost, and now there are two!  
Two little squirrels tossing acorns for fun.  
One got tired, and now there is one!  
One little squirrel playing in the sun.  
He ran away, now there are none.

## Ten silver rockets (to the tune of ten green bottles)

There were ten silver rockets flying to the stars,  
Ten silver rockets flying to the stars,  
And if one little rocket rests its feet on Mars..  
There'd be nine silver rockets flying to the stars....and so on..

## November Songs and Rhymes for parents

These are some of the rhymes your child will be learning in school which you can join in with at home. Please **do not teach them** as it will spoil the fun of learning them together in school! It is impossible to include all our rhymes but we hope you will find these useful to have.

1,2,3,4,5..once I caught a fish alive,  
6,7,8,9,10..then I let it go again,  
Why did you let it go?  
Because it bit my finger so!  
Which finger did it bite?  
This little finger on the right!

## Frisky Squirrel

*Sung to: "The Grand Old Duke of York"*

Oh, the frisky little squirrel  
He gathers nuts and seeds.  
He hides them for the winter months  
So he'll have all he needs.

Refrain:

Oh, up-up-up he goes  
And down-down-down he comes.  
He runs around - goes up and down.  
His work is never done. (repeat refrain)
