SHOPPING TRIPS

In January and February, we take the children in small groups to go shopping for our snack. This is to the local MACE and the children help to write the shopping list, carry the money, find the items in the shop and pay for it at the till. This provides be a great opportunity for all the children to learn what happens in a real shop and develop their vocabulary as they talk about items they see.

MUD, MUD, GLORIOUS MUD!!!!

Recognising our Names

We wish to encourage all the children in the class to recognise their own name therefore we will be removing their photo from their registration card after the half term holiday. Please can you support your child in this and help them to find their registration card in the mornings.

February Birthdays!

Happy birthday this month to Esme!

JUNK ART

This month we will be creating Fire Engines and Ambulances in our creative area and would ask you please to recycle and send in some small boxes if you have any– thank you!

The children are enjoying playing with the new Mud Kitchen in our outdoor play area. They are learning to put on waterproof trousers, wellie boots and aprons before playing here! Thank you to parents and friends who purchased tickets for the Christmas nativity which funded the new kitchen.

Reading Buddies

After half-term, children from Primary Four will be visiting our classroom once a week to read to the children in the Nursery. This is a lovely way to foster a love of reading while building relationships with other children in the main school.
