Boys and Girls
Lets remember what
the letters stand for?

Lagan Construction will be working in this area .
It is important that you remember Safety Sam's
Rules
AT ALL TIMES!

If you see any children on the Construction Site,
you **MUST** inform an adult immediately as this is
VERY DANGEROUS!!!

Lagan Construction works
hard to make it's construction sites as safe as possible . . .

Lagan
CONSTRUCTION

. . . but any work site can be
dangerous. Follow my **5**
Water Wise Rules to
stay safe

people delivering expertise

Remember to obey these rules!

Don't climb on barriers and fences. They are there to protect YOU from serious injury and accidents.

Rule 1

Stay away from trenches and open manholes. They are deep and dangerous.

Rule 2

Never run out from behind parked cars, vans or lorries as you could be knocked down and hurt.

Rule 3

Keep clear of equipment you may see on sites such as diggers and lorries – you know it makes sense!

Rule 4

Never touch building materials or play around pipes as they could do you serious damage.

Rule 5

The End.....

Stay Safe Kids

Safety Sam says Bye for Now!!!
