

# Waringstown P.S. Nursery News - November 2013

Welcome back! Hopefully everyone enjoyed the half-term break and your child is looking forward to many new play activities this month. Over the next few weeks we will be talking and learning about...

- Hedgehogs & animals that hibernate
- Bears – Goldilocks & the 3 bears
- Ourselves

We will also be taking our first trips out of school to Lurgan library and

Peatlands Park.

Please could you send £3.50 in a named envelope to cover the cost of both trips.

## CLASS VISIT from TACT

Our class really enjoyed their visit from Debbie at TACT Team on Wednesday 16<sup>th</sup> October. They were able to get up close with a number of animals including a beautiful barn owl & a hedgehog. They learnt a lot about the animals - where they live and what they eat. Photos can be seen on the school website @ [www.waringstownps.co.uk](http://www.waringstownps.co.uk)

## Toys in school

*As most children are well settled at school we would request now that toys are left at home. It is difficult to ensure that the toys are not broken at school or lost and other children often wish to play with them too! Thank for your co-operation with this.*

## SCHOOL LIBRARY

We are very pleased to see the library being used by parents and the children. Please let us know if you come across a book which has been damaged or defaced. Please complete the borrowing book and return the book(s) you borrow to the shelves.

**PLEASE SEND £10 NURSERY FUND MONEY FOR NOVEMBER – THANKS!**

**We respectfully ask that if your child is ill e.g. has a high temperature or has vomited in the previous 24 hours that they please remain at home, no matter how much they insist that they want to go to school! We wish to keep other children & staff in school free from germs & sickness wherever possible. Many thanks.**
